JURISDICTIONAL AMOUNT REVIEW

This diversity case was filed directly in federal court, under 28 U.S.C. §1332. As required by a standing order of this court, the undersigned has reviewed the record to determine whether the required jurisdictional amount has been established.

Plaintiff alleges that defendants have defaulted on a promissory note, and seeks damages in excess of \$1,200,000.

Considering the foregoing, the undersigned concludes that the required jurisdictional amount has been established, and no further briefing is required.

Signed at Lafayette, Louisiana, on January 8, 2008.
